EVERY DAY COUNTS - ACTIVE PARTICIPATION EVERY CLASS

STUDENTS

With Semester One reports being sent home last Thursday, it was pleasing to see some excellent results across all five year levels. A special congratulations are extended to the following students who were the top achievers in their cohort. **Year 12:** *Amy Fleischfresser, Leah Davis, Soul Love, Lauren Minns, Annika Hicks, Jenna Irwin*
Year 11: *Melanie Hanwright, Zoe Basham, Tahnia Miller*
Year 10: *Allexandra Almond, Lara-Maree Boyle, Jonathan Litzow, Sara Mitchell, Callum Tucker, Johanna Vandenberg, Jessica Wyles*
Year 9: *Laura Gray, Marie Yandog*

Year 8: *Emily Hutton, Lize Potgieter, Kathleen Gogerly, Lachlan Hurt, Meghann Plant, Brittney Sempf, Sarah Tarlinton*

In the last week of Term 2, twenty Year 11 and 12 students were invited to participate in the **Ecoman** program conducted by the experienced **Mr Barry Hopf** and **Mr Joe Abercrombie** from Queensland Private Enterprise Centre, the students learnt how to run a business, including looking after HR, production and other facets. All four "businesses" performed very well and their presentation to their "shareholders" at the end of the third day was thoughtful and exciting. Support from the local community was again excellent, as it was from the school community. The students enjoyed the presence of some special guests, the Minister for Nanango, Mrs Deb Frecklington, along with Queensland's Treasurer, Mr Tim Nicholls, both of whom, as "shareholders" grilled some of the teams. Congratulations go to all 20 students as well as Mr Nicholson and team for another rewarding Ecoman experience.

There have been some excellent student achievements in other extra-curricular activities of late. In coming weeks we have some exciting opportunities at high levels, and wish our **Fanfare group** well as they prepare for state finals in early August. Additionally we wish the **Senior Mooting team** well as they continue to prepare for the Bond Uni Mooting finals on August 2.

STAFF

With the appointment of **Mr David Ballin** as Acting Assistant Regional Director for Darling Downs and South West for the rest of 2014, I will continue as Acting Principal for that time. **Mrs Robyn Ferling** has been appointed as Deputy Principal (Curriculum) for Term 3, while **Mr Lloyd Fairbairn** will continue to look after human resources as well as 2014 timetabling. **Mr Dale Warren** continues to look after the Special Education Unit. Another change is **Miss Tanya Wakefield** taking on the Sports Coordinator role for Term 3.

We welcome **Mr Steven Langton** (Science HOD), **Mr Martin Mearns** (Maths/Science), **Ms Leanne Krosch** (Arts & Senior Schooling), **Mrs Michele Arnell** (English/Social Science), **Mrs Ruth Wright** (Chaplain), **Mr Gordon Couchman** (Schools Officer), **Mrs Helen Noble** (Vocational Education/Maths), **Mrs Brenda Ahnon** (Teacher Aide), **Mrs Pauline Peters** (ATTP), **Mrs Barb Smith** (Cleaner), and **Mrs Wendy Thomson** (Teacher Aide), back from different extended periods of leave.

This term we also announce the appointment of the first Year 7 Coordinator, **Miss Hanna Newton**. She will continue to work with the local primary schools in order to ensure a smooth transition for all our Year 7 and 8 students in 2015. In addition, we are proud to announce the appointment of four teachers from local primary schools, who will be joining our staff in 2015. They are **Mrs Sue Reddacliff, Mr Darren Geiger, Mr John Bunyoung** and **Mrs Rebecca Watson**.

JUNIOR SECONDARY

Preparation for the Year 7 and 8 students to join us in 2015 continues. **Tuesday August 5** is the next event when interested **Year 6 and 7 parents** are invited to come along to Kingaroy High (Community Building) at 8:30am for an **information/question session**, opportunity to attend a full school parade and have a look around the campus. The morning concludes at 10:00am. Anyone interested in attending should phone the front office on 41600666 by Monday, August 4.

The scheduled **Year 6 into Year 7 and 7 into 8 Parent Information Night** that was to be in August will now be held on **Wednesday 17 September**. More information will follow.

Similar to Term 1 and 2, staff from Kingaroy High will continue to visit the primary schools. As the time progresses, there will be more information sessions about the specifics such as enrolment procedures. Please note that with regards to enrolment, all students enrolling in Year 7 or Year 8 will be required to complete an interview in Term 4 this year with a parent, as well as member of the Kingaroy High leadership team.

If you have any questions about junior secondary, please contact our Year Coordinator, **Miss Hanna Newton**.

GROUNDS AND FACILITIES

The **Junior Secondary Building** is continuing to be constructed at a great pace, with the top floor being poured over the holidays, and work now being completed on the columns as well as walls and soon, the roof. During the holidays, we also had a lot of carpet replacement, external painting, general maintenance and vinyl replacement completed in order to provide good learning areas and working environment for all staff and students.

This week we also officially have the wine room handed over. Under the guidance of **Mr Ross Whiteford**, our students will learn the production and marketing of wine making across subjects such as science, business, chemistry and tourism.

SCHOOL OPINION SURVEY

On Tuesday this week the oldest child in each family should have taken home a letter from Education Queensland that has instructions on it to complete a School Opinion Survey. We ask that as many families as possible fill in the online survey as possible. This survey provides an indication about areas that the school and school community can improve on, as well as areas in which we are performing well. **Surveys should be completed this week**, if possible. Please note that the user name and

password provided to each family can only be used once. Thank you in advance for your assistance with this activity.

COMING EVENTS

- | | |
|---------------------|--|
| Tuesday 29 July | ▪ School photo day. |
| Wednesday 30 July | ▪ QCS practice for Year 12 (Per3b & 4) |
| Thursday 31 July | ▪ Flair Concert 7pm Town Hall |
| Friday 1 August | ▪ Fudooka High arrive
School Social (7:00-9:30pm) |
| Saturday 2 August | ▪ Bond Uni National Mooting Finals |
| Tuesday 5 August | ▪ 8:30-10am Junior Secondary Parent Morning Tea |
| | ▪ Careers Market at TAFE |
| Wednesday 6 August | ▪ Full day Qcs practice (Year 12) |
| | ▪ Fanfare State Finals |
| Friday 8 August | ▪ Senior Schools' Cup Volleyball (Toowoomba) |
| Monday 11 August | ▪ Show Holiday |
| Wednesday 13 August | ▪ Athletics (Half Day) |
| Friday 15 August | ▪ Athletics Carnival |
| Wednesday 20 August | ▪ Year 11 Leadership Day |
| Friday 22 August | ▪ South Burnett Athletics (Kingaroy) |

Helen Maudsley, PRINCIPAL (ACTING)

SCHOOL PHOTOS

School photographs will be taken on **Tuesday 29th July, 2014**. Order envelopes/flyers have been distributed to students. If your child doesn't have one, please see the school office. Please ensure that **each student returns his/her own envelope** even if payment is made in the eldest child's envelope. Envelopes are not to be placed inside other envelopes. **Students are to bring envelopes on or preferably before Photo Day.**

There is an automated system for payments by credit card. You can go online to www.advancedlife.com.au for easy to understand payment instructions. You will receive a receipt number which **MUST** be written on the order envelope in the space provided. You can also make payments by cash, cheque or money order.

Individual photographs can be taken where requested. **Make sure those students having an individual photo taken know they need to have one taken.** Sibling Photos are also available for students at the school. Please collect a "Sibling photograph order envelope" from the front office and return it to the office.

Students are reminded that they need to be in full school uniform, including the **school FORMAL shirt**, or they will not be included in class photos. This is the same uniform that should be worn every Tuesday and for all formal occasions such as Investiture Ceremony and Remembrance Day Ceremonies. Any undershirts worn must not be visible in the photographs. Please don't hesitate to contact the school or Advanced Life Photography if you have any queries. We look forward to seeing all your smiling faces!

The Team from Advanced Life Photography
Ph: (07) 3216 8280 / Fax: (07) 3216 8850

Eddie Groom, ATTP (ACTING)

YEAR 11 AND 12 CANBERRA SKI TRIP

The **parent information evening** will be held at **6.30pm** in **B9** on **Wednesday 6 August**.

The meeting should be over in an hour but in that time we should be able to answer all questions and help people to make decisions.

If you're unable to attend or you'd like to send in a question beforehand please contact the Trip Coordinator Mr Don Mengel 41600692 or dmeng3@eq.edu.au.

Reminder: **All participants should have paid a \$500 instalment by now.** Please also note that as with all extra-curricular activities, students may be withdrawn if attendance, behaviour, work ethic or assessment is unsatisfactory. See me for clarification.

Don Mengel, HOD SOCIAL SCIENCE

CYBERBULLYING

DON'T PUT UP WITH CYBERBULLYING!

STOP HARASSING ME NOT ACCEPTED

SEND THE MESSAGE: I WANT IT TO STOP!

Fill in the **STOP HARASSING ME POSTCARD** by:

- talking with your Assistant to the Principal
- bringing printed evidence
- time and date that the bullying occurred

STOP cyberbullying

Kingaroy SHS has a response to Cyberbullying. This is titled 'Stop Harassing Me'. Students who are targets of Cyberbullying need to understand the definition of Cyberbullying and complete 'The Bullying Test' before reporting this issue.

Cyberbullying Definition:

This is a method of bullying using technology, such as email, mobile phones, chat rooms and social networking sites to bully verbally, socially or psychologically.

The Bullying Test:

- Is this repeated behaviour?
- Is it intended to cause harm or hurt?
- Is there an imbalance of power?

If the answer is yes to these three questions then this behaviour is bullying.

The *Stop Harassing Me* program encourages students who are targets of Cyberbullying to report this behaviour and issue a Stop Harassing Me postcard. Students are required to present printed evidence of the Cyberbullying to the ATTP. Students must be able to identify the person who has Cyberbullied them and have evidence, dates and times that Cyberbullying occurred.

Students who have been targeted by a Cyberbully will work with the ATTP to issue the postcard. The postcard will be signed by the student and ATTP. The ATTP or School Based Police Officer will issue this postcard to the Cyberbully. This postcard and evidence will be kept on record.

Pauline Peters, ATTP (ACTING)

HOW TO REDUCE YOUR CHILD'S RISK OF DEPRESSION AND CLINICAL ANXIETY

Strategies for parents: The University of Melbourne, with funding from *beyondblue*, has developed new guidelines for parents to reduce the risk of their children developing depression or anxiety.

Strategies for parents is a general set of recommendations that may also be useful for parents whose child is already experiencing some symptoms of depression or anxiety.

The University of Melbourne and *beyondblue* recognise that each family is unique, and so parents may need to adapt these strategies to their specific situation. To view the guidelines, please visit www.parentingstrategies.net/depression

Pauline Peters, ATTP (ACTING)

ATHLETICS

The first athletic events for 2014 will start this Friday lunchtime. The events will be posted on the school facebook page and timetables are up around the school. The students have a number of opportunities to compete to the best of their ability in various events. Some of these events are scheduled during lunchtimes for the next couple of weeks, some on Wednesday 13th August (half day) and Friday the 15th August (track day). Students will score a point for their house when they compete to contribute to the overall champion house for 2014. All students are encouraged to be part of this school activity.

Tanya Wakefield, SPORTS COORDINATOR (ACTING)

2014 STATE CROSS COUNTRY

The **Queensland State Secondary School's Cross Country Championships** were held this year on **Sunday 20th and Monday 21st July** at Kearney's Springs Sportsgrounds in Toowoomba. Eight students from our school competed as part of the Wide Bay team and they performed very well against State and Nationally ranked runners from all over Queensland.

Our best result in the individual events was by **Ashley Kempson** who finished in 16th place out of 46 competitors in the 16 Years Boys division. Ashley was the fastest Wide Bay competitor and **Chris Hutton** also ran well in this age group placing 27th. **Marney Hurt** was the first Wide Bay competitor across the line in the 16 Years Girls placing 33rd in Queensland followed by **Georgia Toohey** 38th and **Hannah McCullough** 44th. **Jai Dalton** the fastest Wide Bay Competitor in the 13 Years Boys placing 37th in the State and **Hayley Hunter** 46th and **Simon Fairbairn** 41st competed well in the 17 Years division.

All students backed up well in the relay events but unfortunately the Wide Bay students were unable to secure a medal with the Metropolitan teams dominating these events. One Wide Bay athlete was selected in the State Cross Country team this year, and not from our school.

It is an outstanding achievement to reach this level of competition and all students are to be commended on their participation, enthusiasm and sportsmanship, both in individual and relay events at these Championships.

Steve Corstiaans, CROSS COUNTRY TEAM MANAGER

GEOGROUP

An exciting Semester 2 is planned for the Geogroup. The first fossicking trip will be to look for insect fossils in the Murgon area. The last time the group fossicked in this area, some great specimens were found of fossil prints of dragon fly and butterfly wings.

The group now has a functioning rock tumbler and this will be operating in the very near future and previously found rock specimens will be tumbled and polished to show them in their best light! A very big thank you goes to Geogroup member Robbie Ryan and Mr Hill who have done all the hard work on the tumbler to meet safety standards.

Plans will be underway very soon for activities for Earth Science Week early next term which should include activities every day and maybe conclude with a fossicking trip.

New members are always welcome.

Glenda Hoffmann, GEOGROUP COORDINATOR

AG SCIENCE HAPPENINGS

Vegetable Garden: At the beginning, many students were reluctant to help us in the vegetable garden. With great pain they prepared beds and planted out seedlings, and then bolted to work with the more exciting show team cattle. Over the first semester, our garden produced some of the most astounding vegetables – large heads of the darkest green broccoli, and cauliflowers that resembled massive bleached-white brains. Students saw an opportunity and launched their own very successful project of marketing the vegetables to staff at the school. Suffice to say,

the show team is enjoying the reprieve provided by its slight decline in popularity.

Gympie Carcass Classic: The school is participating in the Gympie Carcass Classic and has sent students and steers to compete. To clarify, the students are safely learning while the steers are being 'processed'. A KSHS student won this competition last year and so there is some pride for students entering the competition this year.

Poultry Additions: We are expanding our poultry – not paltry – interests. Cameron Rutledge and Jayden Steinhardt have been working diligently to make a home and care for a second KSHS show team. Yes, we are excited about the addition of some new stars to our cast – 5 blue and black Australian Langshan Bantams. We are looking forward to seeing some chickens of the small, cute, fluffy variety running around soon. *Thank you for supporting our Ag program.*

Sean Wicks, AG TEACHER

SAM GANGEMI – 2014 PIERRE DE COUBERTIN AWARD WINNER

Year 12 student, Sam Gangemi was this year's recipient of the prestigious Pierre de Coubertin award.

The award was instigated by the Queensland Olympic Council in 1996 to promote the importance of participation in sport and physical activity and is named after Baron Pierre de Coubertin, the founder of the modern Olympic Games. It recognises students who demonstrate initiative, teamwork, sportsmanship and fair play through participation in a variety

of sports – qualities which are consistent with the fundamental aims of the Olympic movement.

Sam was presented with the school's perpetual trophy on parade on Tuesday 15th July and he will receive a certificate and an Olympic Pin from the Queensland Olympic Council.

This award acknowledges Sam's exemplary attitude and leadership role in the promotion of sport and physical activity. As Palmer house captain he has actively encouraged sports participation and is an enthusiastic participant himself in inter-house and inter-school competitions. Sam always strives to perform at his best and has motivated others to do the same. He is an accomplished all-round sportsman, a community coach in the Active After School's program and a senior member of the Kingaroy Swimming Club where he assists younger students to achieve their full potential.

Sam is a valuable role model for the entire school community and a very worthy recipient of the 2014 Pierre de Coubertin Award.

Steve Corstiaans, HOD HPE

YEAR 9 NEWS

There's a busy term ahead for Year Nines, so all students should be making sure they're completing homework from their day's subjects every night. Once the assessment planner is out next week, students should be scheduling work on their assignments so drafts can be handed in on time to get feedback from their teachers.

VIVO rewards are already being handed out this semester, with 9E (Ms Wilson) leading the way, followed closely by 9G (Mrs Litzow) and 9I (Ms Charlton).

Uniform standards and are being maintained at a really good level for most Year 9s; please make sure that in this colder weather, students have the correct jumper or jacket to wear. Any students who don't have the appropriate uniform will have the opportunity to find a spare item at the Community Building with Mrs Wright.

If you have any questions about any of these, or other issues, for students in Year 9, please don't hesitate to contact the Year Coordinators on the phone number or email below.

Nerissa Maudsley (nmaud2@eq.edu.au) &

Michael Stevens (mstev128@eq.edu.au), YEAR 9 COORDINATORS (41600 649)

QCS

Last Wednesday, the QCS students received their practice SR and WT scripts back. They listened to “helpful hints” for improvement in the WT from Mr Newton (*an experienced WT marker who marked our scripts*) and SR from our team of QCS teachers. Three key areas of improvement were time management (*pace oneself in each test and not leave blanks*); reading the question **CAREFULLY** and following the **instructions** (*respond to the cues given*) carefully.

The students have an opportunity to enact these improvements in the next (and final) **FULL DAY PRACTICE**. This is in Wk 4 on **Wed 6th August**. In preparation for this practice, students should be organising their equipment and reading over resources (*especially the comments made by the markers*). **Non-QCS students will be expected to attend as per a normal school day.**

The State QCS test is in **Wk 8 – Tuesday and Wednesday, 2nd and 3rd of August**. There will be a **light breakfast** on each morning and parents (special relative/caregiver) are **invited** to come along, have a “cuppa and a bite to eat” before your child starts the QCS.....so *book these dates in your diary!*

I am therefore calling for **ASSISTANCE** please!! Are you able to come along and **help set up/serve** on one/both mornings (roughly 7:30-8:45am)?**AND/OR** Are you able to supply any light cooking (muffins, banana bread etc) for either day? If so, could you please email me (jtess2@eq.edu.au) or phone the school (41600666) and leave a message. **ALL HELP GRATEFULLY RECEIVED!!**

Jenny Tessmann, ACTING HOD CURRICULUM – EXPLICIT TEACHING

MATHLETICS

Most parents are aware of Mathletics which is currently subsidised by the school. It is a popular educational website containing more than 1000 mathematical learning activities. Teachers create Maths courses with activities that are supportive and effective for all age groups and can monitor results for each individual. Additionally there are various rewards built into the site (eg, bronze/silver/gold awards) and Live Mathletics promotes automaticity of numeracy skills.

Three students have recently received certificates at Year Level parades acknowledging outstanding level of accuracy in Mathletics. They are **Meghann Plant (Yr 8)**, **Keisuke Uchimura (Yr 10)** and **Sarah Mackay-Smith (Yr 10)**. Congratulations to those students!

Remember, students can log onto Mathletics (www.mathletics.com) any time

of day or night – great complement to study/homework!!

Jenny Tessmann, ACTING HOD CURRICULUM – EXPLICIT TEACHING

YEAR 11 NEWS

Welcome back from a well-deserved break I hope you had an enjoyable, relaxing break.

Term 3 is an exciting time for Year 11 as we are about to start the leadership process. On **August 20** we will be holding the **Year 11 Leadership Day**, which will be held at the **Kingaroy Town Hall**. Students will have the opportunity to listen to leaders from around the area, from all types of backgrounds. They will learn more about the leadership positions that are available, take on leadership activities, and will start the process of applying for a senior leader certificate. It will be a beneficial day for all students.

The start of the new term was very smooth. Last week the students returned to new timetables which included the addition of flexi time. For the students who returned their flexi forms last term they will be allowed to leave the school at lunch time on Wednesdays to head home to continue their own personal study from home. For those that don't have flexi we have two class rooms where student go to catch up on any assessment or work that needs to be completed.

Can I please remind students that if they are not allocated flexi then they must go to their allocated room. To the students who have flexi, you must go straight home and are not to go into town. You will lose your privilege.

Matt Langford, YEAR 11 COORDINATOR (mlang72@eq.edu.au)

WIND ENSEMBLE – NEWS FLASH!

After a very successful series of performances in Term 2, the Wind Ensemble would like to announce its latest challenge: “**Prestige Music Fest**” at Iona College on **Monday 20 October**. This is the biggest Band Competition in the state, as it involves students from Government and Non-Government schools.

After a quick calculation, we reckon we have around 10 rehearsals until the competition. Most of our Wind Ensemble members arrive on time at 7:20am (for a 7:30am start) but we do have some regular late arrivals.

There's a great quote by actor/writer/director Woody Allen, who said, “*Eighty percent of success is showing up*”. Parents of students struggling to drag themselves out of bed during the winter months are asked to set as many alarms as needed to get our young musicians out of bed each Friday morning, so that the Wind Ensemble members can share news of more successful performances in coming months.”

Jane Iszlaub, INSTRUMENTAL MUSIC TEACHER

VIVO

With Term three now well underway, students are continuing to be rewarded for positive attitude and expected behaviours within the school. Whilst students have their own individual collection of VIVOs which they can use for personal rewards, the house group across year 8 – 12 with the highest collection of VIVOs for the semester will also be rewarded. This allows all students in the school to work together to gain VIVOs for their house group!

Encourage your student to log onto www.vivomiles.com.au at home where you can see their positive feedback from teachers!

Jodi Charlton, TEACHER

FROM THE CHAPLAIN

RE for Term 3: RE day for this term will be this Friday, 25 July. We are having *Iron and Clay*, a band that we had a couple of years ago, but all the members have changed since last time. They will be performing and giving an inspirational message for the students. Students who do not do RE, will go to the Library during the RE session so that they can do some school work.

40 Hour Famine: Year 12 student, Annika Hicks, is organising for students to take part in the 40 Hour Famine this year, if they would like to. Quite a few students have signed up. The 40 hour Famine goes from 8pm on Friday 15th August to 12 noon on Sunday 17th August. You do not have to give up food, you may choose to give up furniture, technology, books, mobile phones, buildings, your car etc. This is a great way to help those living in poverty. This year we are raising money for children in Rwanda, where up to 43 per cent of children under 5 are malnourished. So many of their population were lost in the genocide, much of the land is not suitable for cropping and with poor infrastructure, out-dated farming techniques and lack of education, crops often fail and people go hungry. If anyone would like more information on becoming involved in the 40 Hour Famine, please contact myself or see Annika at the school.

Operation Christmas Child: We are running *Operation Christmas Child* at our school again this year. Each form class will be given a shoe box to fill if they wish, with something to wear, something to love, something special, some things for school, something to play with and something for personal hygiene. Items can be homemade but need to be new, unbreakable, harmless, with no items of a religious, racial or political nature. We cannot include anything that might leak or anything with scary pictures and wrapping should be removed. Students may fill boxes individually as well if they wish. The boxes will go to children in need for Christmas.

Often the trials we mourn are really gateways into the good things we long for. -Hannah Whitall Smith

Ruth Wright, CHAPLAIN 41600 686

DR. PETER DINGLE

SPEAKER
MOTIVATOR
SUSTAINABLE HEALTH ADVOCATE

Monday August 4, 7:00pm for 7:30pm

Dr Peter Dingle (PhD) has spent the past 25 years as a researcher, educator, author and public health advocate for common sense. He is one of Australia's leading motivational health speakers and an Associate Professor in Health and the Environment.

In one short talk you will learn how to REVERSE:

- **Diabetes**
- **Clogged Arteries**
- **High Blood Pressure**
- **Psoriasis**
- **Alzheimer's and**
- **Regain your Energy and Health**
