EVERY DAY COUNTS

ACTIVE PARTICIPATION EVERY CLASS

STUDENTS

Congratulations to the leaders of our school who have been working hard, especially **Melita Ross** and her Social Committee who are working hard to organise tomorrow's Social, and **Hayley Hunter** and the Sports Committee who have been organising lunch time activities as well as the recent visit to the Gold Coast to see the Queensland Firebirds play. **Danielle Janz** and the Media Committee continues to ensure the school signs are updated weekly and are collecting and collating for this year's Noorook Magazine.

This week we congratulate **Ben Viewers** who achieved a High Distinction in the Geography Competition as well as a number of other students who earned Distinctions and Credits.

Also achieving in the Science area are **Connor Britton** and **Thomas Fairbrother** who have been selected to attend the State Brain Bee finals in Brisbane in July. We look forward to hearing the experiences and results from both boys. In the sporting arena it has been great to hear so many positive results and comments about Kingaroy High students who have been representing Kingaroy, the South Burnett and Wide Bay at State Championships. In the football (soccer) arena we extend congratulations to **Clara Forsberg** who last week was selected in the Queensland 18 and Under team as Goal Keeper. This is a spectacular result and shows what a student can achieve if they set goals. It is even more special as Clara has been on exchange here in Australia for less than twelve months. Great work, Clara.

In recent weeks we have been placing a focus on punctuality to class. Support in ensuring that students arrive at school prior to 8:45am at which time they should be heading to class, is asked for. Unfortunately too many students are still not making it to class on time. Please talk with your student about their punctuality, including real world ramifications.

Another focal point has been **how students address staff**. They were reminded that at no time is it acceptable for students to address any staff (teaching or non-teaching) by nickname, first name or anything except their honorific and surname (e.g. **Mr Smith/Ms Smith/Miss Smith/Mrs Smith**).

STAFFING

- We wish **Mrs Leanne Krosch** all the best as she takes leave, and welcome **Mrs Melissa Kempson** as Acting HOD Senior Schooling and the Arts for the rest of this term.
- We welcome some new/returning staff, amongst them **Miss Emily Jarrett, Mrs Margie Williams, Ms Samantha Kahlert, Mr Neil Walker**.
- Also starting various periods of leave over the next fortnight are: **Mrs Tracey Fleischfresser, Mrs Brenda Ahnon, Mrs Helen Noble** and **Mrs Ruth Wright**.

- All staff continue to work on developing their expertise in **explicit teaching** as well as **junior secondary pedagogy**. Both are extremely important for teaching well all levels of high school, and will be of greater benefit for the Year 7 cohort in 2015.

CURRICULUM

At this time of the term there is a lot of assessment taking place across all year levels. Students should be using their diary to help organise their study plan for this period. The official block assessment period goes from 16-20 June. Students will generally have a heavier period of assignments and exams during this time. However, if they find that due to their mix of subjects they have more than two exams on any given day, they should be speaking with the class teacher and relevant HOD to rearrange assessment.

Report Cards will be issued at 2:50pm on Thursday 17 July. **Parent-teacher interviews** will follow at 3:30pm-6:30pm on Monday 21 July.

GROUNDS AND FACILITIES

Kingaroy High continues to manage its own maintenance program, with a list of work including painting, general maintenance and repairs occurring on an ongoing basis.

This work, combined with some work related to the Junior Secondary building means that over the coming school holidays there will be a hive of activity around the entire school grounds.

The Junior Secondary building itself is at the stage this week where the walkways linking it to both L and E Block are under construction. With another slab pour for the start of Term 3 we are still on schedule for a late October completion date.

Helen Maudsley, PRINCIPAL (ACTING)

COMING EVENTS

Friday 30 May, 7:00pm	▪ School Social
Tuesday 3 June	▪ Fanfare-Div2-Kingaroy
Wednesday 4 June	▪ Full Day QCS practice (non QCS students – usual classes)
Friday 6 June	▪ Fanfare Div 1 Toowoomba
Monday 16 – Friday 20 June	▪ Blocked Assessment
Mon 23 – Wed 25 June	▪ Ecoman Program
Thurs 26 June	▪ Bunya Shield
Sat 28 June – Wed 2 July	▪ Sydney Arts Trip
Sat 28 June – Sun 13 July	▪ Winter vacation

AND LIFE

- **“Monitor your child’s homework”** typically tops the advice for parents. It sounds simple, but it’s not. Getting homework “done” requires more than mastering math facts or punctuation. Students need to organize their tasks, stick to them, and manage their time. They need to listen and ask questions when teachers assign the work. Parents can help their children develop these skills.
- **Make sure your child has enough sleep, a nutritious diet, and exercise.**
- **Young people must also develop “character strengths”** like grit, curiosity, conscientiousness, and even optimism. Our children need to learn self-control and how to manage stress. They will have to learn from their failures. The more curious and resourceful children are, the better. They need self-confidence—the belief that they can succeed in spite of obstacles.
- **Our potential is not fixed at birth** - all of us can grow strong and meet challenges if we work hard and stick with it. Inborn talent and predispositions are just the starting point.
- **Effective practice makes the difference** -Getting good at a particular sport, music etc., we all know, takes hours of practice. Developing the skills to succeed in school, work, and life is no different: it takes practice, one step at a time. How we practice makes all the difference in learning to do something well.
- **Habits, like abilities, are also developed through practice.** Managing stress. Developing self-control. Keeping at it. Being curious and resourceful. Feeling self-confident. Getting a handle in these areas—these habits (like keeping anger under wrap)—challenges all of us, regardless of our age. The latest research suggests that these social and emotional skills are as important as academic skills in laying the foundation for student success—and can be taught and learned.
- **Success builds on success.** The more we achieve, the more we will want to achieve.

Eddie Groom & Pauline Peters, ASSISTANT TO THE PRINCIPAL (ACTING)

VIVOS

Has your son or daughter mentioned VIVOS at home? Have they shown you their VIVO

account and what they have been awarded for? Students can choose to use their VIVOS for numerous things including a donation to the World Vision Typhoon Haiyan appeal. Recently, Dylan Nichol (year 10), Jason Hanwright (year 12) and Amie Mason (year 12) donated a significant number of their own VIVOS to the appeal. The next charity to be acknowledged with VIVO donations will be in support of students fundraising for Relay for Life. Encourage your student to log onto www.vivomiles.com.au at home where you can see their positive feedback from teachers!

Jodi Charlton, TEACHER

JUNIOR SECONDARY NEWS

Junior Secondary Taster Day – This Wednesday eight Primary teachers spent the day in Year 8 and 9 classes as part of the preparation for the transition of Year 7 into secondary. These teachers expressed an interest in the Junior Secondary sector and their day with us informed them of the routines, curriculum and expectations of a Junior Secondary classroom as well as familiarising them with the Kingaroy High setting.

Hanna Newton, ACTING HOD JUNIOR SECONDARY

YEAR 12 QCS AND NON-QCS

On **Wednesday 28th May period 4**, Mr Clive Newton spoke with the QCS (Queensland Core Skills) students. As an experienced marker of the **Writing Task** (WT), he kindly shared strategies and helpful hints in completing a WT successfully. Mr Newton will also mark the practice WT responses completed in Wk 7.

Next week, **Wednesday 4th June**, QCS students are sitting a **full-day QCS practice test** (SR - Short Response and WT – 2 hrs each). Students will be adhering to the same test conditions as the “real” test on September 2nd and 3rd. Students need to have **appropriate equipment** for the day, as per given handout (ie, *black pens; correcting fluid/tape; 2B pencils; eraser; pencil sharpener; ruler; highlighters; clear water bottle ; coloured pencils ; drawing compass ; protractor ; approved calculator - graphics calculators allowed*). This will provide valuable experience of the procedures and additionally they will receive feedback about their responses. Mr Newton will return in Wk 1 of next term and, accompanied by the “inschool” markers of the SR responses, provide advice about techniques/answers. Another full-day practice will occur in Term 3 (6th Aug).

Non-QCS students (just over half the Yr 12 cohort), are expected to **attend school** on that day **as normal**.

Jenny Tessmann, Acting HOD – Curriculum – Explicit Teaching

INTER-SCHOOL FUTSAL SHIELD AGAINST ST MARY’S CATHOLIC COLLEGE

This year saw a re-vamp of the Shield to a biannual tournament, with tournaments held in both term 2 and 4. On Wednesday 21st May Kingaroy took on St Mary’s in this year’s first tournament, a best of 6 games; with the 6 games being between two Year 8 and 9 teams and one Year 10 and an open girl team. Kingaroy’s Year 8 team both had convincing wins of 10-3 and 9-1. In the Year 9 games it was much closer with a 5-9 loss and a nail-biting 5-all draw, thanks to a goal by Kingaroy in the last 3 seconds of play! The Year 10 game was once again a close affair as it was last year with the St Mary’s team edging out in front again 4-3. This saw the tournament equal with both schools with 2 wins. The Open Girls’ game would decide the winner and it was another close game with again the St Mary’s team finishing on top 2-1. Thus, St Mary’s retained the Shield thanks to a 3 wins – 2 wins (1 draw). Just like last year Kingaroy started well but allowed St Mary’s to finisher the stronger and triumph. We are looking forward to the next tournament in Term 4, where hopefully Kingaroy can finally claim the Shield back.

Lauren Sims (with ball), Carissa Raines & Lucy Montgomery

Peter Collins, FUTSAL COORDINATOR

IMMUNISATIONS

Round 2 of Immunisations are on next Thursday 5 June for Year 8 and 10 students.

YEAR 10 SEMESTER 2 SOCIAL SCIENCE

All Year 10 students will complete the compulsory National Curriculum History this semester and need to give their preferences for the Social Science subject they will study in the second semester. The alternatives are: Ancient History, Geography, Modern History or Social and Community Studies.

The outlines of these subjects from this year's "Studies Handbook" are reproduced on a form Year 10s will receive at Thursday's assembly.

Once students have worked out their preferences they complete the table on the back page of the form and hand it in at the front desk of the Administration building by Friday, June 6.

If you require more information please contact the HOD of Social Science, Mr Mengel in L Block staffroom, email dmeng3@eq.edu.au or call the school 41600666.

Don Mengel, HOD SOCIAL SCIENCE

YEAR 8 NEWS

Exams! Assignments! Yes, it's that time of the term when assessment pieces need to be attended to. So with this in mind Year 8s, we have some tips for you to help you stay on top of it all!

TIP 1 - Use a wall planner above your desk or on your bedroom wall to record exams and assignments. This makes it very easy to see, at a glance, what you have coming up.

TIP 2 - If you can, set yourself a 'study time block' where you can work uninterrupted.

TIP 3 - Use your time wisely and limit social networking. Avoid 'checking' facebook accounts and the like numerous times in the course of an afternoon/night.

TIP 4 - If you are having difficulty with your class/assignment work, speak to your teacher.

Good luck with your assessment year 8s!

Melissa Kempson & Peter Collins, YEAR 8 COORDINATORS

YEAR NINE NEWS

The week started well for a small group of Year 9's, who've been nominated by multiple teachers, for the **Student of the Month** award.

Breanna Taylor, Maddison Ward, Mikayla Douglass, Bryce Irvine, Daniel Bond, Rhiannon Gunn, Payton Sanewski, Isabella Strauss, Kate Cutler, Kaitlin Elliot, Brooke Lavaring, Kaylah Puller, Keisha Carstairs, Chantelle Law, Jenna Christensen, Leo Davies, Zach Gleich, Madelyn Stewart, Deon Favier, Dayna Pukallus and Courtney Burrows were the recipients of this term's awards, and spent time

working on the practical side of leadership, teamwork and goal setting whilst enjoying a well-deserved ice block.

Students were nominated for various positive reasons, ranging from their focus on work, politeness, industry in class, commitment to learning, to exemplary behaviour. Congratulations to all these students, and to the people who encourage them in making consistently positive choices.

Junior Leaders **Braydon Canniford** and **Jenna Christensen** attended the Kingaroy State School Assembly on Monday afternoon, to present the winner of the magazine cover competition with her prize. Braydon and Jenna were part of the judging team, and had to make a decision from approximately 40 entries from students in Years

3 to 7. They both said they found it difficult to make the choice, as the standard was very high across the board.

Vivo Rewards count: **9C (Mrs Burton) 4221**; 9D (Mr Rieger) 3873; 9I (Ms Charlton) - 3696; 9G (Mrs Litzow) - 3123; 9A (Mrs Hutton) - 3064. Well done to all those students who keep meeting our expected behaviours!

All Year 9s should be well into their daily routines of completing approximately 1 to 1 ½ hours of homework per night. This can involve set homework from teachers, students' own private study based on the work they know they need to revise, and working towards assignments, preferably well in advance of when the assignment is due.

Nerissa Maudsley & Michael Stevens, YEAR 9 COORDINATORS

YEAR 10 NEWS

Half way through Term 2 we are celebrating the achievements of many of our students. A big congratulations to the following students who are recipients of the Student of the Month award for Term 2: **Matthew Boland, Toyya Power, Lara-Maree Boyle, Kodie Stead, Shannon Hendry, Dylan Nichol, Eli Bunyoung, Ellie Dalton, Grace Bredhauer, Brandy George, Taylah Curley, Tiffani Patteson, Leah Murphy, Aime Hoskings, Elyssa Hayward, Rochelle Horne, Mikaela Lenihan, Dillon Driver, Georgia Clark and Kelly Hollier.**

These students are doing themselves and the school proud by constantly upholding the school values, working to the best of their ability and

showing commitment to the school uniform policy. Well done!

The Year 10s have also been involved in brainstorming ways to make our school environment more respectful. Here is a list of suggestions from our students:

- think positively, if someone is in a positive frame of mind, they are more likely to show respect
- speak kindly to others, no yelling at or belittling staff or students and no swearing
- accept everybody for their differences and give everyone a chance
- be considerate of others when you walk around the school and don't walk in the gardens
- don't judge people and don't spread rumours
- if you haven't got anything nice to say, don't say anything at all.

If we all took some of this advice on-board the school would be an even more enjoyable place for everybody.

Last week the Year 10s completed a Life Skills lesson on cyber bullying. We would like to remind parents to carefully monitor and limit their child's use of social media, particularly Facebook. The best way your child can deal with any issues is to block the person/people making negative comments and not engage in conversations with such people. Your assistance in this matter is greatly appreciated. Your child's learning and well-being is our number one priority and students, parents and teachers all need to work together to achieve this.

Courtney Turner & David Hill, YEAR 10 COORDINATORS

SCHOOL DENTAL VAN

Registration forms to be signed and returned to school office by Monday 16 June.

ACCELERATED READER

This term all Year 8 and 9 students will be involved in the Accelerated Reader program. It is an online tool that motivates students to read more often, with a focus on comprehension and at a level that is appropriate to them.

1. Each student will be individually tested.
2. This will allocate a reading level.
3. A letter will be sent home advising parents of the results.
4. Students will choose a book from the appropriate level and read.
5. Students should be reading for 20 minutes a day.
6. The goal is to complete at least one book a fortnight.
7. After finishing reading each book students will take a short, engaging online quiz.
8. Depending on their result, students will move through the program at their own pace.

More information about this program will be forthcoming and we thank parents for their help in this initiative.

Judy Conomos & Krysty Connelly, COORDINATORS
YEAR 11 NEWS

Students have well and truly settled into school work now and the term is ticking over quickly. I always enjoy my Monday mornings, talking to our Year 11's on Year Level parade. They are a good bunch of students, always attentive and ready to listen to information that I have to share with them. I haven't had to share too many negative stories to our cohort about behaviour, and that's always positive.

Recently I handed out some information booklets to students who were intending to complete the QCS test next year. The booklet gives the students and parents an insight into what to expect next year when QCS time rolls around.

At present there are a variety of sporting and cultural opportunities available for students to attend. Please encourage your students to be on the lookout for these opportunities and encourage them to sign up for anything that they may be interested in. Students can find out about things happening by listening to morning notices every morning. This week I will be seeking nominations for Students of the Term from all classroom teachers. This is a great way to reward the students for their positive contribution to classwork and assessment. I will be rewarding each student with 200 VIVO points and a certificate to add to their portfolio. This will be presented on parade next week. I anxiously await to see who our high achievers are.

Matt Langford, YEAR 11 COORDINATOR (mlang72@eq.edu.au)

HOSPITALITY STUDENTS VISIT COFFEE SHOP

Last Monday, one of the Year Eleven Certificate II in Hospitality classes spent the lesson with Jason at Gloria Jean's Coffee Shop learning more about the art of espresso coffee making.

As part of the Certificate, students are studying the competency "Prepare and Serve Espresso Coffee".

During the site visit Jason explained to the students the characteristics of the various beans used at Gloria Jean's, their Rainforest Alliance program, the variety of cold and hot drinks sold at Gloria Jean's and the cleaning routine used on the espresso machine.

Lisa Hutton, CLASS TEACHER

GEOGROUP

A recent fossicking trip to Chinchilla resulted in group members collecting buckets full of petrified wood. Chinchilla is known for its high quality red petrified wood which dates back to the Jurassic Age 140-180 million years ago. Members will sort through their findings to

select the best larger pieces to cut and polish and smaller ones to tumble polish. Chinchilla petrified wood includes a species of tree called *Pentoxylon australica* which has a unique compound trunk with five or six major wood cylinders. Often these specimens are yellow and dark orange/red in colour and make very attractive polished specimens. Future trips are being planned for fossicking and to other Gem clubs. New members are welcome.

Glenda Hoffmann, GEOGROUP COORDINATOR

FROM THE CHAPLAIN

Education Week Prayer Service: On Tuesday 20th May we had a Prayer Service as part of Education Week. I would like to thank the students who came and did readings and prayers and those who sang. Those who attended were very impressed and touched by the whole service and the singing was really moving. Thanks too to **Mrs Dowideit-Reiger, Mr Craig Reiger and Mrs Megan Truss** for the part you played. Pastor Geoff Folker gave a wonderful message and we enjoyed the warm welcome and delicious morning tea provided by the Kingaroy Baptist Church.

Queensland Father of the Year: Do you have, or know of a great dad who deserves recognition?? Nominate a deserving father for the 2014 Queensland Father of the Year Award! He could win a 5 night family holiday at **Sea World Resort & Water Park** and the **Gold Coast's Favourite Theme Parks!** Nominations are open until 18 July at qldfatheroftheyear.org.au

SU QLD Winter Camps: The following are Secondary Scripture Union Camps for the Winter holidays:

Gents FNQ – 30/06/14 to 04/07/14 Cost \$200 for Years 8 to 10 CoEd – tubing, laser skirmish, bowling

Ubertweak Winter – 06/07/14 to 11/07/14 Cost \$225 Years 8 to 12 CoEd – film making, 3D modelling

Winter Wilderness Bike Ride – 06/06/14 to 11/07/14 Cost \$150 for Years 7 to 12 CoEd – 5 days riding

Winter SMADD – 30/06/14 to 04/07/14 Cost \$380 for Years 8 to 12 CoEd – song, music, art, dance ..

For more information go to: www.sucamps.org.au or see me.

Serenity is not freedom from the storm, but peace amid the storm.

Ruth Wright, CHAPLAIN 41 600 686

LIBRARY NEWS

Do you have any stray, **lost or lonely KSHS text or library books at your home?** If you find any books (from previous years as well!) please return them to the school as other students might be needing them.

Year 8 students receive **Scholastic Bookclub** information in English classes. Orders and payment for this issue are due next Wednesday 4 June.

There have been a few changes with the physical layout of the library in the last few weeks. A reading area has been arranged for **Accelerated Reading**. Reference has been moved into the computer area.

The printer and photocopier have both been moved to the library circulation area at the entry/exit area. Students need to log on to the **Printer Release Station** to verify printing jobs but to be able to access the printer all students using laptops or tablets must be logged onto the system properly and have set up their printers correctly, following the instructions emailed to them by Mr Nicholson.

Regarding **computers**, any student experiencing issues with their machine should see Mr Henderson before school or at lunch breaks. Also, students must be responsible for their computer being at school, charged and ready to go every day. The library has a very limited number of machines available for loan and students cannot rely on being able to access one of these machines because they left theirs at home or the machine is flat.

Thanks for your cooperation and support in all these matters.

Judy Conomos, TEACHER-LIBRARIAN

P & C NEWS

Thanks and Farewell to John Kersnovski who officially resigned as P&C Vice President last week and has taken up a position with a Council in Tasmania. John has been a tireless worker and volunteer for P&C over many years and my backstop for as long as I can remember. He was integral in the formation of the South Burnett Mart Auction Sub-Committee and the Construction of its permanent home. He taught me what a Skillion was! He has volunteered at working bees, socials, the Mart Auction, the Instrumental Music Support Group and countless other things. I will miss his support and friendship and the fact that I could rely on him to always cover for me and keep me on the straight and narrow...no mean feat! I'm sure you all join with me in wishing John well in his new career and lifestyle which appears to regularly remind me that he can walk on the beach every day! John will maintain contact with the school throughout this year as Shanae finishes her senior year. We will be calling nominations for a Vice President, if you are interested please call me or the school office.

Thanks to the parents and staff who assisted with the **NAPLAN breakfasts** and Lorraine Argent for organising the ordering.

P&C Meeting: The next P&C Meeting is on **Tuesday 24 June at 7.30pm** in the Community Building at the High School. Please come along, we need more friendly faces to be involved.

Vacancies There are a variety of ways in which you can become involved in the school community. We need two parent reps for the **School Council** which meets once per term generally from 3.30 – 4.30pm (most time it is shorter than this). Parent reps stand for a two year term with a turnaround of 2 every June. If you wish to be a parent rep, please ring the school office to get a nomination form.

We also need more parents to be involved in the **School Chaplaincy** Sub-committee. Ruth Wright and the Chaplaincy committee do an amazing job in our school and we are blessed to have Ruth. If you are interested in becoming involved please contact Ruth or the school office.

Debbie Jackson, P & C PRESIDENT

FROM THE G.O. - DATES TO REMEMBER

UMAT- Year 12's: Students who wish to sit the Undergraduate Medicine and Health Sciences Admission Test this year collect details from GO office. If you are interested in Medicine, Dental, Medical Science, at a Qld. or interstate university, check with us to see if this applies to you. Refer <http://umat.acer.edu.au>. Applications close on June 6. Test is on 30th July, 2014.

Air force Work Experience: The Air Force is giving girls aged 16-18 an opportunity to experience Air Force aviation at the RAAF Base Amberley, 10-13 June, 2014. For more information visit www.defence.gov.au/workexperience

TSXPO (Tertiary Studies Expo) : 19 & 20 July 10am-4pm Exhibition Building, Brisbane Showgrounds. Free Admission. www.CareersEvent.com See GO for more information.

Brisbane Careers and Employment Expo: 23 and 24 July, 2014. Brisbane Convention Centre. www.ncee.com.au to register

USQ Toowoomba Careers Day 2014: Years 8 & 9: 12 June, Year 10: 27 August, 2014. Gives you an opportunity to find out more about life after school and how study can help you get your dream job. For more info go to: www.usq.edu.au/careers-day or call 1800269500

Rural Clinical School - Year 11's: If you are interested in studying medicine you may like to attend the Rural Clinical School at the University of Queensland.

- 18th June
- 27th August

Australian Defence Force Gap Year

Applications will open on 1 June and close on 30 June 2014. The ADF Gap Year program is competitive and there are a limited number of positions available.

The Gap Year challenge: Provides an opportunity for young Australians, who have finished year 12 (or equivalent) and are aged between 17 and 24*, to experience military training and lifestyle whilst gaining new skills and pay over their Gap Year. You will earn more than \$45,000, have subsidised accommodation and full medical and dental coverage.

When would I start? Commence in **January/February 2015**.

What jobs are available? Opportunities for Rifleman, Driver Transport, Administration Clerk, Supply Coordinator & Unit Quartermaster. The Air Force has job opportunities in Airbase Security Roles.

What would I do during my Gap Year? After completing basic recruit training and your specific trade training, you'll be immersed in the Army or Air Force lifestyle while continuing to learn on the job

What opportunities are there for me at the end of the Gap Year?

- Continue service in the Regular Army or Air Force with ongoing job opportunities (subject to availability),
 - Transfer to the Army or Air Force Reserves where you can continue to use your skills on a part-time basis, or
 - Choose to leave the Army or Air Force and pursue an alternate career path.
- *Army applicants must be aged between 18 and 24 years old as of 30 May 2015. Air Force applicants must be aged between 18 and 24 years old as of 13 March 2015. Further information: <http://www.defencejobs.gov.au/education/GapYear/> If you require further information of the above please see me.**

Provide free assessment and treatment to all Australians from Ages 16 to 93 years of age experiencing ANXIETY and DEPRESSION. To find out more about MINDSPOT CLINIC visit their website at www.mindspot.org.au or call 1800 61 44 34
