P & C NEWS

Welcome to everyone for the 2013 School Year. For those new students (particularly our Year 8s), families and staff to our school, I look forward to getting to meet you at various school events and hope that you enjoy your time at Kingaroy High School.

P&C AGM: The P&C AGM is Tuesday 26 February in the Community Building just behind the Admin block at 7.30pm. We would love to see as many parents as possible join us. It isn’t as scary and it definitely doesn’t go as long as you think!

Chaplaincy Breakfasts: Our free breakfasts will start next Wednesday, 6th February. Any student or staff member is welcome to come and be served breakfast. The breakfasts will start at 8.00am and continue until 9.50am or until the breakfast runs out. The breakfasts will be served at the back of the Student Services Building.

SPARCS: SPARCS is a group that is held on Fridays at lunch time. This is a group for students who want to learn more about Jesus and the Bible and ask questions. Pastor Andy Dunkin who is the leader of the Combined Churches Youth Group in Kingaroy, helps me with this group. If students would like to take part in this group, they will need to come and get a permission note to return signed by their parents or guardians. We will have our first meeting on Friday 22nd February.

Chocolate Drive: Our Chocolate Drive will start again next week. For those who are new to the school, this is a fundraiser for the Chaplaincy Committee. Students will be given a permission note that they will need to return signed and then they take a box of chocolates to sell. They then return the money for the chocolates and they may ask for another box to sell if they wish. There are prizes for those who sell the most chocolates. There will be an announcement about this on assembly next Tuesday.

A smile is the beginning of peace.

MATHS TUTORING

Kingaroy State High School’s Maths Department offers a free after school tutorial service for students. It runs for 50 mins after school once a week, from 3:10pm until 4:00pm. There are 3 groups of up to 20 students available. The groups are:

1) Years 8-10 Tuesday afternoon
2) Years 11-12 Maths A Tuesday afternoon
3) Years 11-12 Maths B & C Thursday afternoon.

Expectations are

1) The students sign on to the groups at G Block staffroom each term
2) The students bring work they want to cover (be it classwork, homework or assignments).

The first tutorial session will take place Tuesday the 5th of February. A little bit of additional effort now will make a difference in the long run.

We are once again asking for volunteers at the canteen. If you can spare just one day a month please fill in the form below and return it to the office or the canteen. All the profit made at the canteen goes directly back into the school to benefit the students. The more volunteers we have saves the wages we have to pay to someone to fill the gaps. If you would like to work with someone who is already on the roster or come with a friend, just let Lorraine know by ringing 4160 0676 or 4162 2264.
