EVERY DAY COUNTS - ACTIVE PARTICIPATION EVERY CLASS

WELCOME TO TERM 4

I hope that you managed to find some quality time with your children over the recent holiday break.  The students have returned refreshed and ready for a very busy Term 4. There are a significant number of school events this term, starting with the Speech Night Awards next Thursday and I look forward to meeting with many parents and community members at these events.

NEW ZEALAND TOUR

During the recent holidays, 26 students travelled to New Zealand with Mr Lloyd Fairbairn and Miss Megan Binnie. The students participated in some sporting events such as futsal and volleyball and toured the South Island extensively. Some of the cities they visited included Christchurch, Dunedin and Queenstown. They were fantastic ambassadors for our school and thoroughly enjoyed the New Zealand experience. Well done to everyone involved in this recent tour.

ADMINISTRATION STRUCTURES IN 2016

In 2016 the roles and responsibilities for each of the Assistant to the Principals and Deputy Principals will change. Mrs Tracey Reinbott will undertake the Deputy Principal – Junior Secondary role and oversee all aspects of Year 7 and 8. Mr Scott Dempster will undertake the Deputy Principal – Middle Phase and oversee Year 9 and 10 and Mr Lloyd Fairbairn will be the Deputy Principal – Senior School overseeing all aspects of Year 11 and 12. Ms Helen Maudsley will continue her role of Deputy Principal – School Operations. This alignment of roles and responsibilities will allow us to focus on many aspects of school improvement to ensure that every student is succeeding every day.

YEAR 10 SCHOOL TO WORK TRANSITION PROGRAM

Mrs Melissa Kempson and I are currently working on an alternative program for Year 10 students in 2016. Essentially, this program will involve students attending TAFE 1 day per week to undertake a Certificate 2 course in either Automotive, Hospitality or Engineering. Students would also complete 1 day per week on work placement with a view of obtaining a school-based traineeship. The other 3 days would be based at school working on Literacy, Numeracy and a Certificate 2 course in Vocational Pathways. The program will target those students currently in Year 9, who aren’t seeking an OP pathway. An information evening for the School to Work program will be hosted on Tuesday 20th October at 7pm.

ATTENDANCE

Research indicates that school attendance is closely linked to student performance. It makes sense that if children attend school every day they will be more likely to retain information. The Kingaroy State High School attendance target for 2015 is 93%. That is, on average every student should attend for at least 93 days out of the 100 for each semester. I personally believe that missing a total of 7 days per semester is lenient, however I do appreciate that children get sick and that we have appointments that clash with school routines. Unfortunately, our current attendance for all students is 88.5%. I have attached to this newsletter a poster that is called “What Chance.” Essentially, if a child misses 1 day per fortnight from Prep onwards – the same as 90% attendance – by the end of Year 12 they would have missed 1.5 years of school. Attendance is important because Every Day Counts.

TIMETABLE CHANGE IN 2016

After recent consultation with members of the school community, we have decided to change the timetable structure for 2016. The structure of the day will be approximately as follows: Period 1 (70 Minutes); Period 2 (70 Minutes); Morning Tea (50 Minutes); Form (15 Minutes); Period 3 (70 Minutes); Lunch (30Minutes) and Period 4 (70 Minutes). School will start at 8:50am with Period 1 and it will end at 3:05pm every day.

Thank you for your ongoing support of Kingaroy State High School. If you have any feedback on how to make our school even better please email us on admin@kingaroyshs.eq.edu.au.

Mr Ashley Roediger, PRINCIPAL

KINGAROY STATE HIGH SCHOOL
Fifty-Eighth Annual Speech Night
Kingaroy Town Hall
7.00pm, Thursday 15 October 2015
Guest Speaker
Mr David Ballin, Assistant Regional Director DDSW

Highlights of the night will include the presentation of Academic Awards, Service to the School and Community Awards and the naming of the Junior and Senior School Captains for 2016.

DONATIONS OF FLOWERS WOULD BE APPRECIATED TO DECORATE THE HALL.
PLEASE BRING A PLATE OF SUPPER ON THE NIGHT.
ALL WELCOME
SUCCESS AT SCHOOL

There are five keys to success at school and in life: Organisation, Confidence, Persistence, Getting Along and Resilience. The fourth of these, Getting Along, allows not only for maximising opportunities, but also allows you to enjoy school and life. Students must be able to work cooperatively with each other both within the classroom and in the playground. When conflicts or differing opinions arise, students need to be capable of settling such disputes in a calm, controlled and positive manner which allows for learning to continue without interruption. Everyone is unique and entitled to their own thoughts and opinions, but these must never be at the expense of someone else. Equally importantly, we must all show tolerance of the differences of others, even embracing them as learning opportunities. Students who get along with others are successful at school and in life. Please reinforce this quality with your child to ensure this success.

Tracey Reinbott, Assistant to the Principal - Junior Secondary

ONLINE NEWSLETTER

At the beginning of next year we will introduce a new online newsletter to families who would like to receive their newsletter in this format. To enable us to begin this transition, please fill out the subscription form below, and return as soon as possible to the front office.

AUTHOR IN RESIDENCE PROGRAM – SIMON HIGGINS

Late last term Kingaroy SHS played host to Simon Higgins, an Australian author of novels and short stories for youth and young adults, as an author-in-residence. Simon, who has had numerous novels published in Australia and overseas, worked with a number of year levels in their English classes.

With the Year 7 groups, Simon presented an entertaining author talk, highlighting how writers develop their ideas into full-length novels. In his Year 8 presentations, Simon explained how students could create exciting introductions for their own narratives, while Year 11 students were inspired to improve their narrative and creative writing skills for their upcoming Short Story assessment task.

The English Department hopes students appreciated the opportunity to interact with, and learn, writing techniques from a successful published writer, and be inspired to work hard on their own future English projects.

Paul Hutton, HOD English/LOTE

NEW ZEALAND TOUR 2015

With an early start the journey to New Zealand began on the first Saturday of the holidays. A cold, windy and raining welcome awaited at Auckland and then Christchurch. The Halswell Junior Rugby League Club hosted us in both netball and rugby league, with games delayed until the afternoon due to rain. The delay allowed time for an adventure into Christchurch to view the beautiful city on a tram, with Driver Dave taking us to the Earthquake memorial sites. Halswell JRLC provided a presentation after the game with networking opportunities and awards going to Emily Hutton (Year 9) and Kirby Rubesame.

Paul Hutton, HOD English/LOTE

ICAS ENGLISH COMPETITION

In Term 3, thirteen students participated in the ICAS English competition, conducted by the University of New South Wales. This national competition gives students the opportunity to apply their knowledge, skills and understanding to identify, interpret and synthesise information about texts.

Eight students received awards with our best result coming from Josh Ariola in Year 9 who received a Distinction, placing him in the top 9% of participants. Credits were awarded to Asha Cooper (Year 7), Taylah Favier (Year 8), Meghann Plant (Year 9), Tasma Gregson (Year 11) and Sarah Mackay-Smith (Year 11). Merit certificates were awarded to Laura Tessmann (Year 8) and Emily Hutton (Year 9). Congratulations to these students for their efforts.

Paul Hutton, HOD English/LOTE
the climbing wall and the first international dodgeball game. Wins were posted in all sports, however futsal brought a new element of school pride – with Eloise receiving a foot in the face and a stellar black eye for the rest of the trip!

After that it was off to Arrowtown, with the afternoon in Queenstown and the first international dodgeball game. Wins were基本原则，nurse long-term.

Baldwin Street, the steepest street in the Southern Hemisphere, was conquered. Then it was off to Te Anau, the first day our Quiz Masters were beaten. A big day with the Trout Capital, Glow worm caves, free wifi at Luxmore and a quick dip into Lake Te Anau in sub Antarctic temperatures followed. Milford Sound was a wonderful day with seals, the world’s second rarest penguin and the world’s smartest bird! Water bottles were filled straight of the mountain at Monkey Creek, and some tired people slept on the bus.

After that it was off to Arrowtown, with the afternoon in Queenstown and mini Zorbing was a ball of fun. The weather was immaculate for jet boating, a gondola trip, the luge and an awesome dinner. A jam packed day was had up on Coronet Peaks skiing and snowboarding, which resulted in a few bruises and tired bodies. We rose early in the morning for the trip back to Christchurch, and the view at Mt Cook was spectacular. We farewelled our great drive, Dave, and headed home. Overall the students were excellent role models for Kingaroy SHS, and a spectacular. We farewelled our great drive, Dave, and headed home. game (literally). I hope Year 9s can show similar persistence in their studies as they finish well in the final quarter of 2015. On Tuesday 20 October the ‘Years 8 to 9, and 9 to 10 Parent Night,’ will be held in the Assembly Hall from 7pm. Staff and HODs will discuss key aspects of transitioning between these year levels, and the evening will be beneficial for parents and students wanting to ‘hit the ground running’ in 2016.

Michael Stevens, Year 9 Coordinator

YEAR 11 NEWS

What an exciting and busy start to Term 4. Twelve of our Year 11 students nominated for School Captain before the holiday break. Five boys and seven girls had the opportunity to present their Leadership speeches in front of their peers. The boy nominees are Matthew Tarlinton, Andrew Cook, Callum Tucker, James Christensen and Nathan Fairbairn. The girl nominees are Katie Evans, Sarah Mackay-Smith, Grace Bredhauer, Georgia Clark, Ellen Dalton, Lara-Maree Boyle and Breanna Carrol. Each nominee spoke very well and I was very impressed by the way each student conducted themselves.

During lunch on Tuesday, all Year 11 students had the chance to vote. This was done using polling booths and an official voting system. I’m very happy with the student’s response to this process. Results of the voting will be revealed at Speech Night next week.

Next week nominations will open for Committee Chair positions. There will be seven positions available: Social, Welfare, Environmental, Wellbeing, Recreation, Media and Cultural. Students need to see me in H Block staffroom if they would like to nominate. Speeches will be held on Tuesday 20 October, in Period 2 during form and life skills, and the voting system will be the same. Sports Committee positions will speak and vote on 27 October.

Matt Langford, Year 11 Coordinator

FROM THE GUIDANCE OFFICER

This week, Sunday 4 – Sunday 11 October is QLD Mental Health week, with October 10 being World Mental Health Day. This year the theme is ‘Value Mental Health.’ QLD Mental Health week provides an opportunity to:

- Think about mental health and
- Be proactive by sharing the awareness of the importance of mental wellbeing within our school community.

As a school, we value student and staff mental health and wellbeing and acknowledge the connection between good mental health and improved educational outcomes. Preparations are well underway for the implementation of MindMatters in 2016 and I am thrilled to announce that Tracey Reinbott and myself (in conjunction with the MindMatters working group) have been given approval to transform the meeting room in the Student Services building into a Wellness Centre for our students! The Wellness Centre will be a calming and reflective space designed to promote and support emotional wellbeing. Watch this space for more information and details as the transformation begins.

Rebecca Zischke, Guidance Officer

CHAPLAINCY NEWS

Welcome back to a new term. I hope the holidays were refreshing. Last term the school participated in Operation Christmas Child. Operation Christmas Child is a charity run by Samaritan’s Purse who send shoe boxes filled with goodies to children in impoverished countries. The students at Kingaroy State High school did a great job in either participating in a joint class shoebox or taking the initiative to do one themselves. All up we have collected over 80 boxes. Great job guys!!!

Thank you to all the staff and teachers who have filled their own shoebox or who encouraged their class to do one. You’re all legends, and making a difference.

On the first weekend of September the Chaplaincy Committee also participated in the town ‘Spring in the Square’ event that was a fundraiser run by the Kingaroy District Ministers’ Association in support of chaplaincy and religious education in school. There was an auction, face painting, a prize for the best dressed table and best of all, the schools got to showcase their talents by performing acts on the day. A big thank you to the KSHS choir lead by Mrs Sue Dowidelt-Reiger, and everyone else who helped out on the day.

‘A tree is known by its fruit; a man by his deeds. A good deed is never lost; he who sows courtesy reaps friendship, and he who plants kindness gathers love.’ Saint Basil. God Bless.

Lisa Louther, Chaplain

LIBRARY NEWS

Welcome back for Term 4, which will surely pass as quickly (if not quicker) than the first part of the year. At the end of Term 3 letters for overdue books were sent out to families. As Year 10, 11 and 12 students were still finishing with their English texts for the term, overdues for these items were not included, but now need to be returned. It is especially important that senior students return their overdues promptly as they cannot receive certificates, etc on the last day of school if they have any resources outstanding. This includes library and textbooks and any other resources they may have borrowed, such as calculators. Thanks for your support and if you have any concerns, please contact us in the library.

Judy Conomos, Teacher/Librarian

DUKE OF EDINBURGH

The Dukes program is available to all students at our school and information about upcoming Adventurous Journeys is forwarded to students as it becomes available. Congratulations to Jessica and Abigail Blanch and Emily Hutton who completed their Practice Journey over the holidays. They joined the Toogoolawah Duke of Edinburgh exploration, hiking in Wivenhoe Dam area. If you would like to become involved in the program, contact me by email jmeagle@eq.edu.au or phone 0741600643.

Judy Conomos, DOE Coordinator
