EVERY DAY COUNTS - ACTIVE PARTICIPATION EVERY CLASS

Welcome to the March edition of the Kingaroy State High School newsletter. Thank you for taking the time to read this edition, as we believe that our newsletter forms an important part of home/school communication.

SENIOR INVESTITURE

On 16th February we hosted the 2015 Leaders' Investiture Ceremony. This event showcased our school leaders and the wonderful traditions that our school promotes. Mr Darren Schmidt (Indigenous Liaison Office – Stanwell and former KSHS student) was the guest speaker for the ceremony. Mr Schmidt delivered an excellent address and highlighted the importance of students challenging themselves to be the best they can be. I congratulate the following students on their appointments for 2015:

*School Captain and President of the Student Council: **Georgia Toohey***
*School Captain and Vice President of the Student Council: **Daniel Favier***
*Vice Captain and Secretary of the Student Council: **Eloise Mashford***
*Vice Captain and Treasurer of the Student Council: **James Hunt***
*Cultural Committee Chairperson: **Elaelah Harley***
*Environmental Committee Chairperson: **Jack Gangemi***
*Media Committee Chairperson: **Harry Pratt***
*Social Committee Chairperson: **Dom Ceremonia***
*Sports Committee Chairperson: **Mia Whye***
*Student Welfare Committee: **Tanisha Sorensen***

House Captains:

*Bradfield: **Marney Hurt & Thomas Vukelic***
*Lavarack: **Chloe Sims & Christopher Hutton***
*Palmer: **Ashley Kempson & Alex Evans***
*Youngman: **Rhiannon Herrmann & Jack Hourn***
*Band Captains: **Eloise Mashford & James Hunt***
*Choir Captain: **Melanie Hanwright***
*Dance Captain: **Melanie Hanwright***

Junior Secondary Leaders:

***Sarah Tarlinton (Captain):** Social Committee*
***Lincoln Rabbitt (Captain):** Environment Committee*
***Lachlan Hurt (Vice Captain):** Welfare Committee*
***Amy-Louise Kempson (Vice Captain):** Sport Committee*
***Lize Potgeiter (Vice Captain):** Media Committee*
***Piper Whelan (Vice Captain):** Cultural Committee*

P & C AGM

Our P&C AGM was held on Tuesday 24th February. The 2015 Office Bearers are:

- | | |
|------------------|-----------------------|
| - President | Debbie Jackson |
| - Vice-President | Evan Blanch |
| - Secretary | Louise Judge |
| - Treasurer | Amanda Chimes |

The P and C Committee and its subsidiary committees (ie Auction Mart and Ladies Auxiliary) raised in excess of \$100 000 last year. This money is given to the school and used to improve the facilities and resources that students have at their disposal. We are indeed very fortunate to have extensive amounts of money channelled back into the school and this is envied by many of my colleagues at other schools. In order to ensure that the P and C is able to continue supporting the school to this extent they desperately need more volunteers. Volunteers are needed in both the Canteen and Auction Mart ventures. If you are able to donate some valuable time to work with the P and C could you please contact the office.

BP SHIELD

On 4th March, Kingaroy State High School hosted the summer leg of the Bjelke Petersen Shield competition. Our students participated in cricket, softball, tennis, volleyball, squash, golf, theatre sports and chess. Despite winning many games on the day, I was extremely impressed by the behaviour, sportsmanship and enthusiasm that all students showed. My congratulations go to all of the students and staff involved in the BP Shield. It is a wonderful competition and allows our students to enjoy friendly competition against students from other schools. The winter leg will be played in Term 3.

ANTI-BULLYING

The 2015 National Day of Action against Bullying and Violence is on Friday 20 March 2015. This annual day provides a focus for all schools to say Bullying. No Way! and to strengthen their existing everyday messages that bullying and violence at school are not okay at any time. In 2014 more than 1400 schools across Australia participated by running local events, inviting guest speakers and exploring bullying, and the role of bystanders, in classroom lessons. Go to the following website <http://www.bullyingnoway.gov.au/> for more information about Anti-bullying programs and ideas.

Kingaroy State High School includes anti-bullying in the Year 7 to Year 12 social skilling programs. There are a number of policies relating to Anti-bullying that can be found on the school website: www.kingaroyshs.eq.edu.au. In addition to these policies, we will launch "Stymie" on this day. Stymie is an online referral system whereby students in Kingaroy can anonymously report bullying to school leaders. More information about Stymie and how the program works will be posted home later this month.

Kingaroy State High School strongly supports the Bullying No Way campaign!

CHAPLAIN

At the end of February we welcomed our new Chaplain - **Miss Elizabeth Lowther** to the school. She is working 5 days per week with all students and families. In previous years the Chaplain position has been funded by both State and Federal Government. This year funding has been

provided by State Government only. In order to maintain our Chaplaincy service for 5 days per week, we have used alternative funding sources, whereby we rely on parent donations and fundraising. I would ask that you consider the value of our Chaplaincy program at Kingaroy State High School and donate additional funds if possible. A school donation form was posted home recently. If you need another form please collect one from the office. (On a side note, you may have received a request from Scripture Union recently, asking for donations for Chaplains in schools. Scripture Union is the managing organisation for Chaplaincy with State Government providing the funding. Any donations Scripture Union receive go back to their organisation rather than schools directly.)

SOCIAL MEDIA

At Kingaroy State High School we take our responsibility to maintain the health and safety of our students and staff very seriously. This responsibility includes considering issues related to behaviours online. Behaviours in the online environment can cover a broad range of issues including online privacy and information protection, good and bad manners, digital citizenship and knowing how to get help to deal with online issues.

As you may be aware, comments posted online about people and organisations may impact permanently on their digital reputation. This includes teachers, other staff and students and the school. There can be very real negative consequences from online posts – relationships between school staff, students and parents can be permanently changed for the worse.

Facebook and other social networking sites are generally not private communities and, depending on an individual's security settings, comments can be read by many people and remain online indefinitely.

If you or your child are posting information online about the school, staff or students, I ask that you consider the ramifications of these comments on the school and any individuals in the school community concerned. As a rule of thumb:

- Public discussion is most effective when it is conducted in a polite and respectful manner;
- Before posting, consider whether those people you are posting about want information, including photos and comments regarding them and their children, posted on Facebook or on other sites. Perhaps ask them before you do it;
- Rather than airing complaints or grievances in a public forum like Facebook, come and talk to the school first about how to resolve your concerns;
- Remember that as a parent you have a responsibility to supervise and regulate your own children's online activities at home and their impact on the reputation and privacy of others.

I remain very proud of the students and staff at Kingaroy SHS. Together, we have a good school. Let's all work together to continue to improve in everything we do. If our school can assist you in any way, please contact us.

COMING EVENTS

- | | |
|---------------------------------|---|
| Monday 16 March,
3:30-6:30pm | ▪ Parent Teacher Interviews |
| Tuesday 17 March, 2pm | ▪ KSHS Auxiliary Meeting |
| Wednesday 18 March | ▪ SAT Interviews |
| Friday 20 March | ▪ 10-12 Years SB Rugby League, Soccer, Netball Trials |
| Monday 23 March | ▪ 13-19 Years Wide Bay Winter Trials |
| Tuesday 24 March, 7:30pm | ▪ P & C Meeting, Community Building |

Ashley Roediger, ACTING PRINCIPAL

Junior Secondary Leaders: We congratulated the Junior Leaders at the Investiture Ceremony on Monday 16 February. These young leaders are each working with a Senior Committee, driving the junior input into the six committees. They are joined this year by representatives from Year 7, 8 and 9 Form Captains.

It will be exciting to see the Junior school developing important leadership skills! The Junior Secondary Leaders are:

- Sarah Tarlinton (Captain): Social Committee
- Lincoln Rabbitt (Captain): Environment Committee
- Lachlan Hurt (Vice Captain): Welfare Committee
- Amy-Louise Kempson (Vice Captain): Sport Committee
- Lize Potgeiter (Vice Captain): Media Committee
- Piper Whelan (Vice Captain): Cultural Committee

A morning tea was held in the recently completed outdoor area near the Community Building to welcome the Junior Leaders. They were joined by their Senior Committee mentors and teachers who will be working closely with the committees throughout the year. We look forward to seeing these young leaders represent our junior students in these roles.

Tracey Reimbott, ASSISTANT TO THE PRINCIPAL - JUNIOR SECONDARY

REPORTING / PARENT – TEACHER INTERVIEWS

Thankyou to all parents as you have assisted with a smooth beginning of the 2015 school year.

The first **Parent- Teacher Interviews** of 2015 will be held next **Monday 16 March** in the **Indoor Sports Centre** from **3:30-6:30pm**. No appointments will be necessary as all teachers will be in attendance for this time. Each interview will be of a 10 minute duration.

Unfortunately we are unable to produce an Interim Report Card at this time due to an ongoing rebuild of OneSchool. This is the state wide system used to generate all reporting.

Teachers have completed all reporting comments though and will be able to communicate directly to you the progress of your child/ren at this time. Interim Reports will be distributed at the earliest possible convenience.

I will have all student timetables printed so that all parents will be able to easily identify all teachers they wish to meet.

So please come along and meet your student's teachers and discuss important matters about his/her education.

Lloyd Fairbairn, DEPUTY PRINCIPAL

TEXTBOOK AND RESOURCE SCHEME

Thank you to all those who have paid or started paying school fees. If you have not yet returned your Student Contact Card or the blue sheet titled Student Resource Scheme Participation Agreement form, please do so as soon as possible. When invoicing for this year occurred, three Semester 2 subjects were overlooked. They are Year 10 Engineering and Furnishing (\$100), Year 10 Art (\$20) and Year 9 Manual Arts (\$40). These invoices have now been entered and are on your student's records. Unless requested, new Statements will not be sent home now as statements for outstanding fees will be mailed home early next term. Please phone me if you wish to discuss any fee related matters.

Wendy McCallum, BUSINESS SERVICES MANAGER

MICROSOFT OFFICE 365 FREE FOR STUDENTS

If you have a computer at home that would benefit from the latest version of Microsoft Office, Office 365, it is now available for **free to EQ school students**. To access the software, simply go to the following link, load the document and follow the instructions.

Instruction manual:

<http://education.qld.gov.au/learningplace/help/pc-mac-support.pdf>

Students need to know their current username and password for the school computer system in order to start this process.

Damian Nicholson, ICT COORDINATOR

YEAR 11 NEWS

A few busy weeks have been and gone and a lot has happened in that time. On Tuesday 10th February we held the Year 11 Parent Night and it was great to see so many parents coming along to learn about what lies ahead for their Year 11 students. It was an information packed evening with many of our staff speaking about what's ahead and what students should be working towards at the conclusion of Year 12. If you were unable to make the evening and would like any information about the topics discussed please e-mail me at mlang72@eq.edu.au. Thank you to everyone who came along, it was great to meet you all.

Congratulations must go out to our newly selected Form Captains for our Year 11 Form classes. In the last few weeks we saw class nominations occurring and students being interviewed by myself and the ATTPs. The following students were selected as the **Form Captains for 2015**.

- 11A Jacob Skilton
- 11B Rhiona Lenkeit
- 11C Tazma Dolan
- 11D Callum Tucker
- 11E Kirby Rubesaame
- 11F Thomas Fairbrother
- 11G Bailey Nichols
- 11H Lara Hodson
- 11I Schehera Broderick

These students received their badges and certificates at our Investiture ceremony and were recognised by the school and community members. Well done!

On a final note, can I please ask that you ensure your students are wearing the correct uniform to school each day. My main concern is the wearing of appropriate shoes and socks. All students should have black leather shoes and white socks on Tuesday, Wednesday, Thursday and Friday. On Tuesday, boys should be wearing grey socks, and girls should be wearing light blue socks. It's been a positive start to 2015, and I thank you for your ongoing support.

Matt Langford, YEAR 11 COORDINATOR

MATHLETICS

Do you ever hear the comment from your loved one....**"I don't have any Maths homework tonight because I finished it in class?"**.....well read on to find a response to such a comment!!

We are fortunate to have access to Mathletics again this year. It is an online site, to which the school generously subscribes, that contains more than 1000 learning activities for students aged 5-18.

Students are "set" a school-specific course by their teachers that complements concepts being addressed in class. Teachers are able to access individual student results and see weaknesses/strengths.

Other benefits include certificate rewards when achieving certain standards; step-by-step animated support(...just like having a teacher 24hrs a day!!!) etc.

Mathletics can be accessed 24hrs a day, 7 days a week (at school and at home). Simply log on to: www.mathletics.com.au. Each student should have been given their unique username and password by their Maths teacher.

.....so now your informed response to the above comment can be.....**"That's great dear.....now log on to Mathletics and do at least 2 activities to consolidate your work!!"**

Jenny Tessmann, MATHS TEACHER

INSTRUMENTAL MUSIC

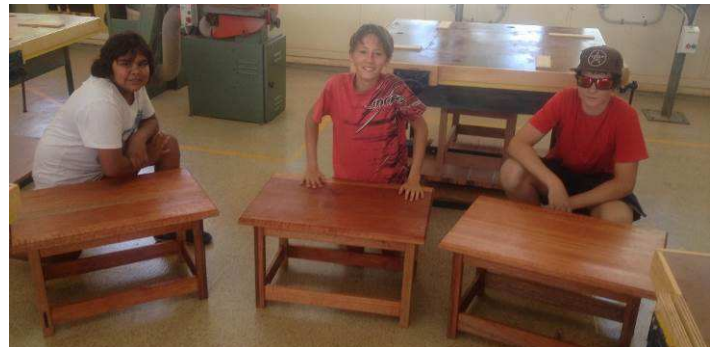

This Saturday 14th March, the Kingaroy SHS Stage Band will be performing at the **South Burnett Wine and Food in the Park Festival**. The band will be performing on the main stage at 1pm, and we'd love to see you there.

Next week, 21 talented Instrumental Music students will be traveling to Toowoomba to participate in the **DDSWQ Secondary Schools' Music Camp**. Taking place from the 24-26 March, these students will be involved in three days of rehearsals culminating in a Concert on Thursday night. This is a great opportunity for these students to mix with other musicians from around our region, and to showcase the high level of our musicians at Kingaroy SHS.

Matt Phillips, SENIOR INSTRUMENTAL MUSIC TEACHER

MANUAL ARTS AEP REPORT

On Tuesdays and Thursdays a small group of boys from the AEP (Alternative Education Program) attend the Manual Arts department to work on gaining some valuable construction skills. From the beginning the boys were very keen and eager to learn about timber and joining. We began by constructing a timber coffee table during which they were taught about joining techniques and the tools behind their construction. The boys also learned some patience in the finishing stages of the job, with a lot of power sanding and hand sanding to be done. Overall the boys created 3 magnificent jobs that they should be very proud of.

The boys not only took home a coffee table, but I also presented them with a commitment certificate to take home, along with some newly acquired, valuable skills. The next job we are working on is a foot stool which the boys are already well into it. Great job boys!

Matt Langford, MANUAL ARTS TEACHER

VIVO

The VIVO rewards system is a Positive behaviour program where students are rewarded for displaying correct, positive behaviour. Students are rewarded with VIVOS for displaying characteristics of Kingaroy SHS's three R's- *Resilience, Responsibility and Respect*. These could be demonstrated by showing positive behaviour, displaying a responsible application to studies, consistently adhering to the school uniform policy, using manners and respect when talking with people around the school, participation in extra-curricular activities and the displaying of leadership qualities. Students are then able to accumulate VIVOS which they are able to spend in the VIVO store on numerous items including rewards within the school such as tuckshop vouchers. If students are unsure of their VIVO login or password, Mrs Clark at the front office will be able to assist! Encourage your student to log onto www.vivomiles.com.au at home where you can see their positive feedback from teachers!

Wendy Corstiaans, VIVO COMMITTEE

NATIONAL YOUTH SCIENCE FORUM – APPLICATIONS OPEN NOW

For any Year 11 student considering a career in science or engineering, the National Youth Science Forum is without a doubt the best program in the country for you. The NYSF is a two week program where you meet some of the world's best scientists while you stay on the beautiful Australian National University Campus in Canberra.

You have the opportunity to not only meet a large range of scientists from all over Australia, but you also meet two hundred other Year 11 students from all over the country that also love science. After you attend the NYSF you also have the opportunity to have exclusive tours of universities and research facilities all over Australia that are only open to previous NYSF students. Together with that, you also have the option of going to several different international programs, including six weeks of research at the Massachusetts Institute of Technology in Boston, USA.

Applications are open right now. If you are interested in learning more about the NYSF please see Mr Langton in G Block or contact me for more information.

Daniel Lawson, YEAR 12 STUDENT

LIBRARY NEWS

"In 21st century schools, a school library is the physical and virtual learning commons where reading, inquiry, discovery, thinking, imagination, and creativity are central to students' information-to-knowledge journey, and to their personal, social and cultural growth." National Forum on Information Literacy, December 2014.

Big words ... big ideas ... but you just have to visit our school library to see how many different uses students and staff make of our facilities. Before and after school, during lunch breaks and throughout the day the library is well used – for games, research, assignments, reading, socialising, networking, relaxing and learning.

All these activities are valid and valued. Encourage your child to visit the library. We really do have a wide range of resources and hope to cater for all our clients and student suggestions for new titles are always welcome. Accelerated Reading has been operating now for most of the term and all Year 7, 8 and 9 students should be taking part in the program. Not all students are managing to achieve the target of 20 minutes of reading a day and this is disappointing as the only way to become a better reader is by actually doing it. Encouragement from home is one way young people see value in any activity and reading is no exception. Keep promoting the Accelerated Reading program and ask your child how they are going on their Star tests and reading goals. Your interest and support are always important. Thanks.

Judy Conomos, TEACHER-LIBRARIAN jmegal@eq.edu.au

DUKE OF EDINBURGH

Congratulations to those students who are involved in the Dukes program. Remember that you are responsible for recording all your activities in your diary, so that information can be included in your Bridge book or online for Bronze, Silver or Gold. Another important reminder is that you need ask you assessor to supervise your activities as they will be the person to sign off for your fitness, volunteering or skill activities.

The State Awards Office is currently offering an Adventurous Journey Expedition for Bronze participants. The dates are Saturday and Sunday, 2nd and 3rd of May at Wyaralong Dam. This AJ can be either a practice or a qualifying journey but numbers are strictly limited. If your child is interested in completing this AJ please contact me for more details.

Certificates for quite a few Bridge participants have been received recently. There are just a few more that need to be finalised and then these can be presented on a special parade in the near future. Thank you to all the adult volunteers who help with activities which count towards our Dukes program. Without volunteers, the program would not be possible.

Judy Conomos, DUKE OF EDINBURGH COORDINATOR

KSHS AUXILIARY MEETING

The **KSHS Auxiliary Committee General Meeting** will be held next **Tuesday 17 March at 2pm** in the Staff Lounge (near Front Office). New families are most welcome to attend. Afternoon Tea will be provided.

Lynelle Cross, SECRETARY

P & C NEWS

Thank you to all parents, community members and staff that attended the AGM on Tuesday, 24 February. It was great to meet all the staff.

The 2015 Executive is: –

- *President* *Debbie Jackson*
- *Vice-President* *Evan Blanch*
- *Secretary* *Louise Judge*
- *Treasurer* *Amanda Chimes*

I would like to sincerely thank **John Brand** for the immense work he does voluntarily as our Auditor and has again put his hand up, pending Department approvals, for the next year. This one gesture on its own saves us many thousands of fundraising dollars.

We urgently need volunteers for –

- **Canteen** (once a month or even once a term would help us out)
- **Mart Auction** (one Saturday morning every two – three months)
- **Chaplaincy Sub-Committee Chairperson and parent representatives** - these positions have been unfilled for over twelve months and I'm sure you would agree the Chaplaincy service provides a vital network not just to students, but families and in our community.
- **P&C Queensland Parent Rep** at their quarterly workshops

If you can assist with any or some of these, please contact the school office on 41600666. We would really appreciate your support. **Next P&C meeting is Tuesday 24 March at 7.30pm in the Community Building at the school.** All are welcome to attend.

Debbie Jackson, P & C PRESIDENT

If you are unable to work on your day, please try and swap with someone and let Lorraine know. If you can't swap ring Lorraine on 41600676 or a/h 41622264 .		

CANTEEN VOLUNTEERS

We are once again asking for volunteers at the canteen. If you can spare just one day a month please fill in the form below and return it to the office or the canteen. All the profit made at the canteen goes directly back into the school to benefit the students. The more volunteers we have saves the wages we have to pay someone to fill the gaps. If you would like to work with someone who is already on the roster or come with a friend, just let Lorraine know by ringing 41600676 or 41622264.

OFF THE TOP OF MY HEAD FOR CAREFLIGHT 21 MARCH, 2015

Linville Hotel from 12 noon

**Live Band * Hangi * Raffles * Auctions * Free Camping
and much more**

Fiona Williamson, Robert Barnes and Glen Bailey have volunteered their time to help raise vital funds for CAREFLIGHT. The event is called: "THE OFF THE TOP OF MY HEAD FOR CAREFLIGHT LINVILLE 2015". Funds raised are directed towards the costs of operating the CAREFLIGHT Service. As a local charity RACQ CAREFLIGHT RESCUE is an emergency air medical rescue helicopter service provided to the communities of Southern Qld 24/7, at no cost to patients.

CAREFLIGHT has saved over 38,000 lives in the last 30 years.

CAREFLIGHT RESCUE costs approx. \$18 million per year to operate; almost 50% of this funding comes from the community. The service costs nothing to our patients and each mission costs on average \$12,500.

Donations are tax deductible and can be made in cash, cheque or you can log onto Fiona's "everyday hero" page at

<https://careflightrescueqld.everydayhero.com/au/fiona.williamson> and donate online.

If you are able to help towards the success of this event through donating products or services, your support would be greatly appreciated.

For enquiries call Fiona - 5424 8121 / 0400 248 129
