SCHOOL UNIFORM

RATIONALE:

The Education Queensland policy is that the Principal, in consultation with the school community, will determine school policy on student dress standards.

Kingaroy State High School P & C Association has resolved that it supports a student dress code policy for Kingaroy State High School because it believes that it promotes the objectives of the *Education (General Provisions) Act 2006*, and in particular that it:

- promotes a safe environment for learning by enabling ready identification of students and non-students of the school;
- promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school;
- promotes a supportive environment at the school by fostering a sense of belonging;
- fosters mutual respect among individuals at the school by minimising visible evidence of economic, class or social differences.

Jewellery:

Jewellery is to be kept to a minimum to avoid losses and possible injuries. Large ornate jewellery, as well as large earrings, plastic or otherwise are not allowed.

Due to the danger of injury to the wearer, or others engaged in sport, it is strongly recommended that students do not wear any jewellery when playing sport.

Body and Face Piercings and Makeup:

It is not appropriate, for health and safety reasons and for reasons of positive image for the entire school body, for students to have any visible body piercing while they are at school.

This includes piercings on the face, mouth, eyebrows, nose, tongue or neck. If a student needs to wear a spacer it must be clear in colour. One fine sleeper or studs for ear piercings are acceptable. Decorative jewellery is not allowed.

Any face makeup must be minimal and must not draw unnecessary attention to the student.

Hair Styles:

- Neat simple styles are required. Hair should be back from eyes at all times. Long hair needs to be secured for practical activities.
- Any hair colour which draws unnecessary attention to the student is not permitted.

SPECIAL NOTES ABOUT UNIFORM

STRATEGIES TO DEAL WITH STUDENTS NOT WEARING UNIFORM:

1. Assistance with uniforms is available for families experiencing financial hardship. Students and/or parents need to contact the Administration to access this assistance.
2. A bank of school uniform items is held at the school so that a student who presents without being dressed according to the student dress code (major items of uniform) will be offered the opportunity to wear one. Students will access this uniform bank by:
 - reporting to the Admin Officer at Student Services immediately upon arriving at school, or
 - being sent to the Admin Officer by their form teacher during form/assembly or by their first teacher of the day.
 - all uniform items lent to the student will be recorded, and only removed from the loan register on return.
3. If for any reason a student cannot be supplied with an item of clothing from the uniform bank, they will be given a uniform pass to show they have made a legitimate attempt to comply with the dress code. Students must be able to present this uniform slip on request.
4. If, when offered an item to comply with the dress code, a student unreasonably refuses to put it on, the student can be sanctioned for non-adherence to a school policy and dealt with according to the Student Code of Conduct.

NOTE: It is NOT okay for a parent/caregiver to send a student out of uniform with a note to cover them for the day or longer. This will still need to be verified by the school.
