

FORM G
2026 Student Resource Schemes – Participation Agreement Form
Student Resource Schemes (SRS) – Instrumental Program

There are 3 Student Resource Schemes operated by Kingaroy State High School – SRS Textbook and Resources (Form E), Instrumental Program (Form G) and One-to-One (Form F) - all 3 are user-charging schemes operated by the school to provide parent with a mechanism to access individual student resources and a device which are not funded by the government. The One-to-One Device scheme allows participants the use of a school owned device which is loaned to the individual student for the duration of the agreement – up to three years. Government funding for schools does not extend to individual student resources and equipment for their personal use of consumption. Supply of these items, such as textbooks and personal laptops/iPads etc is the responsibility of the parent.

The objective of the schemes is to provide parents a convenient and cost-effective alternative to the individual supply of textbooks, resources and a device for their students. Participation in these schemes is optional and no obligation is placed on the parent to participate. Parents not participating in the schemes must provide their student with all items that would otherwise be provided by the schemes as detailed in the information provided by the school. Parents can choose to join the schemes in future years by completing a new Participation Agreement Form. Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable

Parents pay the annual participation fee in accordance with the selected scheme and the selected payment arrangement of either, payment in full or an agreed payment plan. If a student joins the school mid-year, a pro-rata participation fee may apply. Terms and conditions for participating in the schemes are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

Payment

On agreeing to participate in the SRS schemes, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the schools Business Manager as soon as possible to discuss options available.

3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.
